

TFEE Grants Reimagined

For the 23-24 school year, the TFEE has reimagined our grant process with a goal of better supporting teachers and having a bigger impact on TSD students.

For this year, there are two options:

Big Impact Teacher Grants and Change the World Grants.

Applications will OPEN on November 1 and will CLOSE on December 1.
Applicants will be notified of the TFEE's decision by the week of January 15, 2024.
