

Troy Foundation for Educational Excellence

Strong Schools. Strong Community.

Dear Friend of the Troy School District,

For more than 30 years, the Troy Foundation for Educational Excellence has helped the Troy School District to enrich and enhance education for the 12,500 students attending TSD each year. And for nearly 20 years, one key piece of this support has been our annual Troy Foundation for Educational Excellence Golf Outing.

We invite you to join us this year on **Tuesday, June 18th, 2024** as we move our annual outing to **Greystone Golf Club** in Washington Township. This important event raises vital funds that allow the TFEE to grant funds to teachers across the district, making exciting projects and programs possible for all TSD students.

We are currently seeking sponsors for this year's event. Becoming a sponsor is a great way to show your support for TSD and the TFEE, to impact the education of children in Troy, and to have fun while you do it! This year's sponsor levels offer a variety of ways to take part in the event, all of which will show off your generous support to our community.

For more information on the sponsorship packages, we invite you to visit TroyFoundation.org/Golf. There you will find a link to our Sponsorship Registration Form. If you have questions or would like more information about the event or getting involved, please email me at the address below.

We thank you for your consideration and hope to see you on June 18!

Sincerely,

A handwritten signature in black ink that reads "Alison Hendry". The script is fluid and cursive.
